

Menübeispiel

Anwendungsbeispiel für ein horizontales Hauptmenü (Level1 (H1)) mit einem vertikalen Untermenü (Level 2+3 (H2+H3))

In dem folgenden Beispiel wird die Anordnung eines horizontalen Hauptmenüs (Level 1 (H1)) mit einem vertikalen Untermenü (Level 2+3 (H2+H3)) auf Basis des Standardtemplates "mini1" gezeigt:

The screenshot shows a web application interface. At the top, there is a horizontal main menu with items: Startseite, CMSimple_XH V1.5 Dokumentation, CMSimple_XH V1.6 Dokumentation, CMSimple_XH Referenzlisten (highlighted), and CMSimple_XH Historie. Below this, there is a secondary horizontal menu with items: CMSimple_XH Linksammlung, Fachthemen, Informationen, Änderungshistorie, and Impressum. On the left side, there is a vertical sub-menu under the heading 'Plugins'. The sub-menu items are: Legende (highlighted), Liste, and Historie. Below the sub-menu, there are links for AddOns, Tools, Pluginanbieter, and Templateanbieter. The main content area shows a breadcrumb trail: 'Sie sind hier: [Startseite](#) > [CMSimple_XH Referenzlisten](#) > [Plugins](#) > Legende'. Below the breadcrumb, the title 'Legende' is displayed in green. Underneath, there is a section titled 'Schematischer Aufbau einer Pluginbeschreibung:' followed by a table with three columns: 'Name des Plugins', 'Aktuelle Versionsnr.', and 'Datum der Veröffentlichung'. The table contains two rows of text describing a plugin.
